

# Panettone flavoured with Cesanese wine®

This delicious panettone was born of the inspiration and the creativity of our confectioner **Franco Terenzi**, who knew how to combine the dough of the classic handcrafted panettone with the **hot and intense taste** of an excellence of our land: the Cesanese wine DOCG from the Lazio region.

The tradition and promotion of the region come together in this excellent product, which is perfect not only for Christmas but also in summer, when you can sample panettone filled with ice cream.

This is an original "made in Italy" product and it is excellent throughout the year.

**Congratulations on making a perfect choice!**

The starring role in your celebrations, the panettone with Cesanese wine is a registered trademark and **you will only find it at our bakery.**

Have it alongside a good Cesanese wine!
